FROM THE DESK OF CHAIRMAN

It is true that building strong career is not only about knowledge and oratory skills but also about ethics, justice and humanity. Institutions are not market places, and education is not a commodity traded on demand and supply"

In the current scenario, the number of deserving students interested in world class education has increased. However, there is a dearth of committed institutions to satisfy

demand. Keeping this in mind, few like minded people came together to form Maansarovar CUET. At Maansarovar, we are fully committed to maintaining and expanding our mission to be a world class legal education center with a unique amalgamation of staff, student and faculty. We have decided to play the role of torch bearer to form the new generation of India through our students. We are determined to strive to mould the inherent talent of our youngsters into dexterous legal professionals required for a dynamic society in the making. Our innovative program will erect a platform to nurture talent, to hone skills and mould students to become perceptive professionals. Having developed the concept for true education and intellectual integrity, the Maansarovar Group focuses on providing top-class education. Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. The working environment is such that students as well as faculty are inspired and supported to attain high standards of education and skill sets and shine in their chosen path. Faculty, with their impressive academic, research and hands on experience will lead the students to achieve 'Excellence' and Competence. This in turn enhances the core strength of students and enables them to realize all round development.

Together, lets start a success story!

Mr. Anil Kumar Gupta

Chairman

Maansarovar CUET.

ABOUT MAANSAROVAR

We introduce ourselves as the competition experts with total devotion to result oriented coaching. Maansarovar CUET is an exclusive, state of the art educational institution for various entrance exams across the country. Built on the cornerstones of Excellence, quality, professionalism and integrity, we have been producing the best results in India. This has been possible because of our extraordinary faculty, extensive research of pattern of various exams and serious analysis of study pattern of regular toppers.

CUET is one of the most coveted vocation in India today given the power and respect attached and also the security of career it gives right after 10+2. just like medicine and engineering.

Our program designed by a team of experts aims at helping students develop a logical mind and clear prestigious exams.

We make them believe that clearing the exam is very much possible and the unnecessary hype around the exam should not deter their efforts. What is required is persistent effort and a sincere goal oriented approach. This is done under the guidance of our Director, Miss Sonal Gupta who has been a regular topper in LL.B. and 1st ranker in LL.M. entrance. Being the topper herself, she makes the students understand that top rank is not about 15-20 hours of study everyday, rather it is about smart, strategic study. Her highly Successful mentorship coupled with our student- friendly program has made dreams of many law aspirants possible

Maansarovar CUET has been privileged to educate over 10000 students in last one decade for a variety of entrance exams. Our efforts have resulted in outstanding success, with approximately 90% of our students being accepted into esteemed colleges throughout the country, demonstrating our commitment to delivering top-quality education

MEET THE FOUNDERS

Mr. Anil Kumar Gupta is a scholar and a seasoned professional with experience spanning across three decades. Having completed mechanical engineering from one of India's most prestigious engineering school, with highest possible marks, plush engineering companies opened its doors wide open for Mr. Gupta. But it was politics and administration which satisfied his academic passion and to learn the nuances of the subject, he decided to take a bold step and enrolled for bachelors in political science. This turned around the tables for Mr. Gupta as he realised that this is the ocean he wants to dive deep into. Since then, there has no looking back for him. Bachelors turned into masters, masters into deep research of the subject, and this coupled with an experience of three decades has made Mr. Gupta, a name to reckon with in the subject of politics. He has swum the subject from length to length and breadth to breadth. Governments have come and governments have gone but there is no detail which is not known by Anil Sir, so much so that he knows the exact date, exact place and exact event associated with every political activity.

Mr. Gupta is known for his excellent student-friendly approach to the subject which makes it extremely easy to understand and grasp. He starts with the very basic and teaches about various organs of government, the concept of separation of powers, how government works, how elections are held, the concept of democracy, procedure of judicial appointments, important constitutional bodies etc. Such is the charisma of the sir that political science classes are always bustling with students and their inquisitive questions. Even after the classes, Sir is found busy with students who always want to learn more. Students say that political science classes make them feel empowered and responsible. We owe our grand success in law entrance exams to Gupta Sir who holds the key to full marks in political science section.

The CEO of Maansarovar Law Centre & Sonal Gupta Judicial, Miss Sonal Gupta, was a student who turned into a successful lawyer and mentor. She was the top-ranker throughout her law school and is now responsible for shaping the career of more than 5000 students. In her career, Sonal has been one of the most revered names in legal education and has acquired celebrity status within a short span of time, hence, creating a monopoly status of Maansarovar in DU LL.B & LL.M, CLAT, AILET & OTHER EXAM.

They say that passion keeps you hungry all your life & that is exactly the case with Sonal. Even after acquiring endless accomplishments in a very short span of time, Sonal aspires to do more. She envisions revamping the legal education system in India by opening a law university where learning is a fine blend of theory and practice and where she can reach over 1 million students. She plans to become one of the most distinguished legal mentors in the country by teaching her students with a novel approach.

She wants to simplify the law and make it a 'Citizen's Heaven' rather than a 'Lawyers Paradise'. Her motto behind becoming a lawyer was to ensure that no vulnerable person remains vulnerable to the law and to spread awareness about basic laws at a mass level for the upliftment of women, children, elderly, workers, underprivileged, disabled, transgenders, and other vulnerable groups. Apart from work, Sonal loves to read non-fiction novels, explore lesser-known countries, watch documentaries. She is also learning to play the piano currently.

Mr. Varun Midha is the logistical force behind the Maansarovar Law Centre. A young charismatic property expert, he is the reason why Maansarovar has been able to function like a well oiled machine producing top lawyers year after year. With his technical acumen, he has been able to integrate diverse departments of the institution bringing them together into a harmonious whole. His efforts have brought about a perfect co-ordination between different centres and has digitalised Maansarovar. He deserves an applause for a perfect sync between faculty, students, staff and management and converging them all into the common goal of success at law! He has embarked upon the journey to take Maansarovar to its actual place – to the top!

Miss Snigdha Gupta is a multi-talented much sought-after maths and reasoning expert. Having secured All-India Rank 23 in one of the most coveted exam in India, SSC (CGL) 2013, Miss Gupta is an Income Tax Inspector in New Delhi. A national chess-level champion and an unbeaten chess winner in Delhi University for 3 consecutive years, having lifted 15 trophies, strategy has always been her forte. It is her strategic and technical bent of mind which has helped her develop strategic, logical, conceptual, formula-less maths. Maths without formulae sounds sort of unbelievable but here lies the mastery of our maths wizard. In her words, "The problem with maths is the phobia which the students develop without any reason and which inhibits their understanding of the subject. In reality, maths is totally concept based subject and once the concept is understood, scoring cent percent marks becomes extremely easy".

UNDERSTANDING THE COMMON UNIVERSITY ENTRANCE TEST (CUET - UG)

The Ministry of Education (MoE) introduced the Common University Entrance Test (CUET - UG) in the year 2022 for admission into all undergraduate programs in Central Universities. This initiative aims to provide equal opportunities to candidates from all over the country, including rural and remote areas, and establish stronger connections with the universities. By taking a single examination, candidates will have the chance to reach a wider range of universities and participate in the admission process for multiple Central Universities.

■ EXAMINATION BODY	NATIONAL TESTING AGENCY (NTA)
■ MODE OF EXAM	COMPUTER BASED TEST (CBT) ONLINE
■ DATE OF EXAM	MONTH OF MAY EACH YEAR
■ INTRODUCED IN THE YEAR	2022

PARTICIPATING UNIVERSITIES

The National Testing Agency recently released an updated list of participating universities for CUET exam. The revised list now includes Guru Gobind Singh Indraprastha University, Footwear Design And Development Institute, and several other universities. Approximately 250 universities participating in CUET exam will utilize CUET scores for admission into their undergraduate programs. Prior to applying for the entrance test, candidates are advised to review the eligibility criteria of the participating universities for CUET. CUET scores are accepted by esteemed institutions such as Banaras Hindu University, Aligarh Muslim University, Jamia Millia Islamia University, Delhi University and many others.

SYLLABUS

To ensure effective preparation for CUET UG exam, it is essential to familiarize yourself with the syllabus. Without a clear understanding of the syllabus, your preparation may deviate from the right track, leading to potential setbacks.

CUET UG exam is expected to be a highly competitive examination at the undergraduate level, offering over 3 lakh seats across 200+ universities, including 47 central universities, as well as state, private, and deemed universities. The exam will be conducted in online mode and will consist of multiple-choice questions (MCQs). While UG admissions will primarily rely on CUET scores, the University of Delhi has announced the consideration of Class 12th marks as a tiebreaker criterion for students with equal CUET scores who select the same college and course. It is anticipated that

other universities will adopt similar policies. Therefore, it is crucial to adopt a structured approach to your preparation, ensuring that you perform well in both the Boards and the CUET.

To achieve this, understanding the CUET UG syllabus becomes a critical step. Additionally, you can refer to our CUET Sample paper to gain a basic understanding of the question types and patterns involved.

OUR STRATEGY

OUR STRATEGY AT MAANSAROVAR CUET TO SCORE 99.99 PERCENTILE IN CUET UG EXAM

HAVE COMPLETE CLARITY ABOUT CUET EXAM DETAILS

Before beginning the preparation, you must be clear about what Cueto exam offers, which universities are participating, what the course structure is and other such details. Only after you are clear in your head about the basics, so can you take your steps towards success with utmost confidence and determination.

CHOOSE YOUR DOMAIN WISELY

The CUET exam offers wide range of domain subjects such as History, Geography, Legal Aptitude, Accounts, Biology, Chemistry, etc. You must choose the domain which catches your interest along with it being extremely scoring. Opting a Domain only for it being your subject in board exams will not necessarily fetch you a good score. Go through last year papers of certain domains, speak to an experienced counsellor and accordingly choose your domain subject/ subjects.

PRACTICE MATHS AND REASONING THOROUGHLY

General Test consist of Maths and Reasoning which is an extremely scoring section. This section can shoot up your score only after you have complete conceptual clarity and your speed is up to the mark. This is only possible after practising at least 30-40 mock tests. We at Maansarovar Cueto always insist that Practising is the key to scoring 100% in Maths and Reasoning sections.

DO NOT MIX YOUR BOARDS PREPARATION WITH CUET PREPARATION

Board exams are of subjective nature and Cueto exam consists of Objective MCQ type questions. There is a completely different strategy required for preparation of these two type of exams. Subjective exams require depth and profound knowledge on a subject along with good presentation skills however objective Mcqs based exams require expansion of our data base and knowledge along with right strategy of selection and elimination. Mixing the preparation of both may not fetch the best of both worlds and might rather produce undesirable results. Having a separate strategy and preparation for both is advisable.

GO THROUGH LAST YEAR'S PAPER

The best source to see the level of exam is by going through last year's paper. This gives us clarity as to what kind of questions are asked and what level of preparation is required. This also helps us realising our strengths and weakness and attempting last years papers gives us a boost and in an eye opener for all serious candidates.

BE EXTREMELY REGULAR WITH YOUR COACHING

Joining a good coaching centre for your preparation is definitely a must however being regular with it is the most important step you can take towards coming out with flying colours. Every lecture you attend at coaching is extremely rich in information and for being ahead of the game, you must religiously attend all the classes.

TAKE WEEKLY MOCK TEST

A student may study for years and not get desired result and another student may prepare for 1 year along with regular mock test series and achieve rank 1 comfortably. Now this is where Mock Test play an extremely important role. We at Maansarovar Cuet always insist that taking regular mock test are as important as the coaching itself. Taking a mock test helps us evaluate our preparedness, makes us realise our weak areas, increases our speed and reduces our exam anxiety along with increasing our question banks.

DO POST MOCK WORK AND ANALYSIS

Taking Mock test is essential and equally important is doing post mock analysis. Many students believe that the purpose of mock test is to only evaluate our preparation however the true purpose of mock is to increase our question bank. You must maintain a register of difficult questions and every time you attempt a mock test, find out how many questions were wrongly attempted by you. Write those questions in that register along with solutions in such a manner so that next time if you come across those questions, you should be able to solve them with great ease. This is a rule of success followed by all toppers and you must incorporate this exercise in your preparation as well.

STUDY IN A PLANNED MANNER. GO BY 6:1 SCHEDULE

Before you start studying each day, set a target. Set a practical weekly target every Sunday night and achieve it. Make a detailed schedule every Sunday for next 6 days and keep your Sundays completely off. Study 6 days a week religiously and rejuvenate your mind and body on Sunday. It will bring utmost joy once you will achieve your target. Also if you manage to achieve your target before time and you still have some hours left in that day then do not begin studying more. Use that time to relax yourself. Also try to include variety of subjects in daily preparation instead of studying a single subject the entire day.

DO NOT REFER TO MORE THAN TWO SOURCES FOR ANY SUBJECT

Two books are sufficient for each topic along with your class notes and your self-created unique question bank (as mentioned above). Once you finish solving these books, keep revising them only. Don't think that you will get more material from more books. That leads to only confusion and frustration. Stick to 2 books for each subject & become a master of that.

WHY (ONLY) MAANSAROVAR?

As they say - "Well Begun is Half Done". Same is the story when it comes to choosing the right coaching for your preparation. “

MAANSAROVAR IS ACTUALLY THE BEST. Thank you for making me a part of this great institution. Maansarovar scores full marks in all segments - be it management, Infrastructure, teachers, notes, or tests. All that is left from the student's side is to work on it and reap fruits because seeds are really sown by the centre itself.

PRATEEK KAPOOR

Maansarovar = Marvelous, magical, miraculous. My experience at Maansarovar has been amazing. No teacher in Delhi teaches with so much clarity as Sonal Ma'am does. Her charts and diagrams are amazing. I feel truly blessed to be her student All the teachers has an absolute command over their subjects. This was really motivating. The class notes, study material, and tests had been prepared with such precision that we were totally prepared for the exam. I had a very good experience with the staff and everybody was very helpful and cooperative Great work Maansarovar!

“

The time at MLC was the best part of my life. The whole period gave me thousands of cherishable memories. The lovely lectures, the beautiful staff, great management, and the homely atmosphere. I have found elder sisters in Sonal mam and Snigdha mam. They are not only the best teachers but also the best persons on this earth. The coaching not only prepared me for CLAT but also for 1st year totally. I miss Maansarovar so much.

KHUSHBOO AGGARWAL

“

Though any amount of praise would be less for my dear Sonal Ma'am yet I would like to write a few lines about mam. I seriously say that I have never across a guide, mentor, teacher like her throughout my life whether in school or college. I have found a teacher, sister, and friend in Mam. Sonal Mam has taken Maansarovar to the zenith. I am proud to be a part of Maansarovar.

TESTIMONIALS

“

I would like to say a big heartfelt thank you to Sonal Ma'am for helping me get through LLM NLIU-Bhopal. This would not have been possible without her. I am blessed to have a mentor like Mam. I believe every student must have at least one such mentor who inspires and motivates you like Mam does. I am so glad that I discovered Maansarovar Law Centre! Much love and respect to Mam. You are a great source of inspiration

RIYA SEHRAWAT

“

Excellent, Superb, Best, Awesome, Extraordinary! Any words used to describe Mansarovar would be less. Just 15 days of coaching and I got 56th Rank! I still remember what Sonal Mam told me when I first met her - "Ho jaeyga, Don't worry" with her ever charming smile and here I am studying in India's best law school! Maansarovar is truly great!

AMIT SIWACH

”

“

Maansarovar has been phenomenally accurate with content taught, quality and time management. I wish to thank Snigdha Mam and Sonal Mam for teaching the way one could never forget. It is only due to them that I have been able to secure the second rank. Sonal Ma'am has been an inspiration not only by what she has achieved but by imparting the best one can to us. You are the best Ma'am!!

ALOK SINGH

“

Maansarovar is certainly the best institute for law. I had an amazing experience during my time here. Just a few months of coaching and feel all polished and empowered. Sonal Ma'am has enriched me as a student as well as a person. I feel blessed to be her student. Snigdha Ma'am is unbeatable when it comes to shortcuts and tricks. Truly, she is beauty with brains. Polity Sir is extraordinarily good. The faculty has no comparison Maansarovar delivers on all fronts Incredibly

“

There are two types of people in this world -- one who say that they are going to be next to me when it matters the most and people who actually stay miles away from me and yet play the most influential role. Anil Sir, Sonal Ma'am, Snigdha Ma'am, and the entire Maansarovar Law Centre team I am not much of a believer in God but Anil Sir & Sonal Ma'am there are 330 million gods ! Goddesses in Hinduism, I can proudly say that I have met two of them

PRAKHAR GANGUL
