# FROM THE DESK OF CHAIRMAN

It is true that building strong career is not only about knowledge and oratory skills but also about ethics, justice and humanity. Institutions are not market places, and education is not a commodity traded on demand and supply"

In the current scenario, the number of deserving students interested in legal education has increased. However, there is a dearth of committed institutions to satisfy the demand. Keeping this in demand, a few like minded people came together to form Maansarovar Law Centre. At Maansarovar, we are fully committed to maintaining and expanding our mission to be a world class legal education center with a unique amalgamation of staff, student and faculty. We have decided to play the role of torch bearer to form the new generation of India through our students. We are determined to strive to mould the inherent talent of our youngsters into dexterous legal professionals required for a dynamic society in the making. Our innovative program will erect a platform to nurture talent, to hone skills and mould students to become perceptive professionals. Having developed the concept for true education and intellectual integrity, the Maansarovar Group focuses on providing top-class legal education. Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. The working environment is such that students as well as faculty are inspired and supported to attain high standards of education and skill sets and shine in their chosen path. Faculty, with their impressive academic, record and hands on experience will lead the students to achieve excellence and competence. This in turn enhances the core strength of students and enables them to realize all round development.

*Together, lets start a success story!*

**Mr. Anil Kumar Gupta**

Chairman

## MEET THE FOUNDERS

Mr. Anil Kumar Gupta is a scholar and a seasoned professional with experience spanning across three decades. Having completed mechanical engineering from one of India's most prestigious engineering school, with highest possible marks, plush engineering companies opened its doors wide open for Mr. Gupta. But it was politics and administration which satisfied his academic passion and to learn the nuances of the subject, he decided to take a bold step and enrolled for bachelors in political science. This turned around the tables for Mr. Gupta as he realised that this is the ocean he wants to dive deep into. Since then, there has no looking back for him. Bachelors turned into masters, masters into deep research of the subject, and this coupled with an experience of three decades has made Mr. Gupta, a name to reckon with in the subject of politics. He has swum the subject from length to length and breadth to breadth. Governments have come and governments have gone but there is no detail which is not known by Anil Sir, so much so that he knows the exact date, exact place and exact event associated with every political activity.

Mr. Gupta is known for his excellent student-friendly approach to the subject which makes it extremely easy to understand and grasp. He starts with the very basic and teaches about various organs of government, the concept of separation of powers, how government works, how elections are held, the concept of democracy, procedure of judicial appointments, important constitutional bodies etc. Such is the charisma of the sir that political science classes are always bustling with students and their inquisitive questions. Even after the classes, Sir is found busy with students who always want to learn more. Students say that political science classes make them feel empowered and responsible. We owe our grand success in law entrance exams to Gupta Sir who holds the key to full marks in political science section.

Miss Sonal Gupta is a young, dynamic law teacher with excellent academic record, and is the foundation of Maansarovar Law Center. A regular topper in LLB, she topped her university for which she was awarded cash prize and had been a meritorious student throughout her academic career. She delivered an extraordinary performance in LLM entrance, securing the 1st Rank. Being the topper in GGSIPU, she was again awarded cash prize. A firm believer in god, her extremely polite and modest nature, and her sagacious and assiduous approach to life, has made her extremely popular among students. She has a considerable fan following among students and parents alike. Just a meeting with her and an admission at Maansarovar becomes guaranteed. Her excellent oratory skills and empathetic nature makes her a great motivational speaker too.

One thing that has bewildered all students alike, and which is also a major reason behind her success, is her vast and extremely thorough knowledge about her subject, so much so, that having remembered all major sections, law provisions, case laws, amendments and even previous years questions by heart, she never refers to any text book or help material and her extempore teaching leaves all students amazed. A regular question which is being asked in our centre is - "Is Sonal ma'am a computer"? It is her sheer confidence and teaching skills which has taken her to the zenith and has earned her the reputation of being a great law teacher at such young age.

Such are the reviews about the Ma'am that it seems surreal that she has garnered so much affection from students in such a short span. While some students have found a friend in her, others an elder sister and some even a daughter. It might seem unbelievable but her class room has students from age group of 18-80!! Her message box, e-mail and call logs are always overflowing with lovely messages of students. Despite her busy schedule, she always takes out time to reply to each message as she sincerely believes that it is her students that have made her, and Maansarovar totally belongs to them. She has been described as 'Ray of Sunshine', 'Breath of fresh air', 'Miss Maansarovar' and several other beautiful sobriquets! Sonal Ma'am is really thankful to each and every student for appreciation, encouragement and warmth she has received from them as it motivates her to work harder and deliver better. Lastly, she believes that Maansarovar is one big family and thus, personal attention is given to each student and it is ensured that they excel in a friendly and healthy environment.

Mr. Varun Midha is the logistical force behind the Maansarovar Law Centre. A young charismatic property expert, he is the reason why Maansarovar has been able to function like a well oiled machine producing top lawyers year after year. With his technical acumen, he has been able to integrate diverse departments of the institution bringing them together into a harmonious whole. His efforts have brought about a perfect co-ordination between different centres and has digitalised Maansarovar. He deserves an applause for a perfect sync between faculty, students, staff and management and converging them all into the common goal of success at law! He has embarked upon the journey to take Maansarovar to its actual place – to the top!

Miss Snigdha Gupta is a multi-talented much sought-after maths and reasoning expert. Having secured All-India Rank 23 in one of the most coveted exam in India, SSC (CGL) 2013, Miss Gupta is an Income Tax Inspector in New Delhi. A national chess-level champion and an unbeaten chess winner in Delhi University for 3 consecutive years, having lifted 15 trophies, strategy has always been her forte. It is her strategic and technical bent of mind which has helped her develop strategic, logical, conceptual, formula-less maths. Maths without formulae sounds sort of unbelievable but here lies the mastery of our maths wizard. In her words, "The problem with maths is the phobia which the students develop without any reason and which inhibits their understanding of the subject. In reality, maths is totally concept based subject and once the concept is understood, scoring cent percent marks becomes extremely easy".
