**18. In which of the following latest cases the Supreme Court of India made the following important observations: "The expression "Lease" under the Stamp Act has a wider meaning as compared to its original meaning contained in Section 105 of Transfer of Property Act...If "lease" under Section 2(16) of the Stamp Act includes therein four specified category of documents set out in Clauses (A) to (D), we do not find any such inclusion in Section 105 of the Transfer of Property Act. It is for this reason, we are of the view that definition of "Lease" for the purpose of Stamp Act is extensive in nature. It is also clear from the use of the expression "and includes also" in Section 2(16) of the Stamp Act... So by fiction, "any instrument by which tolls of any description are let" is considered as "Lease" for the purpose of payment of stamp duty under the Stamp Act, 1899"**
